

National Level Workshop on Remote Sensing and GIS: Applications and Modelling in Research

Sponsored by DST-SERB under High-End Workshops (Karyashala) Scheme

20th February to 1st March 2023

About the Workshop:

The modern tools and techniques such as RS and GIS are helpful to develop scientific base in the research. Such tools and techniques are also useful for modelling through which the applied research in earth sciences can be strengthened. Keeping in mind the need of the time, this National Level Workshop is conducted for the young researchers for developing the scientific research by using these tools. The hands-on training is a key component of this event which accelerate the pace of scientific research that helps in enhancing overall pace of scientific temper.

Intake Capacity : 25

Apply using the following link: <https://forms.gle/Pq9Um6FVrwbYNkuK9>

Who Can Apply?

Affiliated Ph.D. students, post-graduate students, research scholars, academicians, junior college teachers working in the different field of **Earth Sciences** such as Geography, Environmental Studies, Geology, Oceanography, Soil Science, Climatology etc.

Important Notes:

- There is **No Registration Fee** for this workshop.
- Selected candidates has to ensure their own laptop.
- The outstation candidates are entitled to get Accommodation.
- Travelling Allowance will be provided to outstation candidates subject to II Sleeper train fare with maximum limit up to Rs. 2000 (To and Fro.).
- Food and other refreshments are free for all the selected candidates for the entire workshop period.
- The selected candidates will have to acknowledge and accept the offer for participating in the workshop through return email by due date, failing which the waitlisted candidates may be given chance.

Important Deadlines:

- Registration Opens : 25th Jan 2023
- Last date for Application : 5th Feb 2023
- List of Shortlisted candidates : 6th Feb 2023
- Confirmation by candidates : 8th Feb 2023 by 5 pm

Organized by,
S. N. D. T. Women's University, Mumbai
